### Course Description

• "Texas Human Trafficking Training" is an online recorded video continuing education course for health care professionals.

• This course focuses on defining the types of trafficking, vulnerability factors, health impacts, identification and assessment strategies, healthcare provider role in intervention, and resources available to individuals who are experiencing trafficking.

Copyright Jodi Gootkin

### Course Rationale

• This course is designed to equip health care professionals with the training needed to help detect potential victims of human trafficking and to provide them with adequate care and information regarding additional support services.

• It is designed to satisfy all of the training requirements mandated by Texas House Bill (HB) 2059.

Copyright Jodi Gootkin

### Goals and Objectives

1. Detail the Trafficking Victims Protection Act of 2000 as amended and identify the forms of human trafficking including sex and labor.
2. Define force, fraud, and coercion and differentiate between human trafficking and smuggling.
3. Recognize populations vulnerable to human trafficking, trafficker profiles, and recruitment techniques.

Copyright Jodi Gootkin

### Goals and Objectives Continued

4. Describe acute injuries, chronic medical problems, mental health issues, reproductive and sexual health concerns for victims of trafficking.
5. Identify barriers to disclosure, provider challenges, and opportunities related to identification and response.
6. Describe the role of trauma-informed care in trust-building and communication including appropriate language to assist with identification.
7. Recognize potential indicators of human trafficking.

Copyright Jodi Gootkin

### Goals and Objectives Continued

8. Describe strategies to assess safety, how to conduct private conversations with potential victims, and the importance of using professional interpreters.
9. Detail procedures for reporting cases using the National Human Trafficking Hotline, mandated reporter obligations, documentation, and law enforcement involvement.
10. Identify the importance of the health care provider role, survivor-centered, multidisciplinary referrals, and how to access state and community resources.

## What is Human Trafficking?

- Human trafficking is the act of recruiting, harboring, transporting, providing, obtaining, patronizing, or soliciting a person for compelled labor or commercial sex acts.
- Trafficking Victims Protection Act of 2000 (TVPA) was enacted to combat trafficking in persons.

(National Human Trafficking Hotline <https://humantraffickinghotline.org/what-human-trafficking> )  
(US Code Chapter 78 TVPA

11

## Forms of Human Trafficking

- Twenty-five types of human trafficking have been identified in the United States.

(Polaris, The Typology of Modern Slavery. <https://polarisproject.org/typology>)

12

## Severe Forms of Trafficking: Labor

- The recruitment, harboring, transportation, provision, or obtaining of a person for labor or services, through the use of force, fraud, or coercion for the purpose of subjection to involuntary servitude, peonage, debt bondage, or slavery. (22 U.S.C. § 7102(11)(B))

13

## Labor Trafficking

- This form of modern-day slavery includes situations where individuals are forced to work against their will in many industries.

(National Human Trafficking Hotline <https://humantraffickinghotline.org/en/human-trafficking/labor-trafficking> )

Copyright Jodi Gootkin

14

## Severe Forms of Trafficking: Sex

- A commercial sex act is induced by force, fraud, or coercion, or in which the person induced to perform such act has not attained 18 years of age. (22 U.S.C. § 7102(11)(A))

- The recruitment, harboring, transportation, provision, obtaining, patronizing, or soliciting of a person for the purpose of a commercial sex act. (22 U.S.C. § 7102(12))

Copyright Jodi Gootkin

15

## Sex Trafficking

- A commercial sex act is any sex act on account of which anything of value is given to or received by any person. (22 U.S.C. § 7102(4))

Copyright Jodi Gootkin

## Commercial Sexual Exploitation of Children

- Any minor under the age of 18 who is induced to perform a commercial sex act is a victim of human trafficking regardless of whether there is force, fraud or coercion. (18 U.S.C. §§ 1591, 2251, 2423(C))
- This includes sexual activity for the financial benefit of any person or in exchange for anything of value given or received by any person.

( Texas Children's Commission, Texas Child Welfare Law Bench Book. [http://benchbook.texaschildrenscommission.gov/library/item.gov/texaschildrenscommission\\_benchbook/299](http://benchbook.texaschildrenscommission.gov/library/item.gov/texaschildrenscommission_benchbook/299) )

"My boyfriend (got me involved). He is very manipulating with his words and he very quickly over time made me feel worthless and made me feel like I couldn't do anything so he pushed me in that direction. Saying it was my way to help out to pay bills. He would say I am helping now. I went along with it to make him happy with me."

### How Traffickers Control Victims

- Force**
  - Physical restraint, physical harm, sexual assault, and beatings.
- Fraud**
  - False promises regarding employment, wages, working conditions, love, marriage, or better life.

(US Department of Health & Human Services Office on Trafficking in Persons <https://acf.gov/otip/education-training/humantrafficking>)

24

### Coercion

- Threats of serious harm to or physical restraint against any person and psychological manipulation.
- Document confiscation
- Shame and fear-inducing threats to share information or pictures with others or report to authorities.

(US Department of Health & Human Services Office on Trafficking in Persons <https://acf.gov/otip/education-training/humantrafficking>)

25

### Involuntary Servitude

- Person believes that, if they did not enter into or continue in such condition, they or another person would suffer serious harm or abuse of the legal process. (22 U.S.C. § 7102(b))

26

### Debt Bondage

- Pledge of personal services as a security for debt, if the value of those services as reasonably assessed is not applied toward the liquidation of the debt. (22 U.S.C. § 7102(7))

Copyright Jodi Gootkin

27

**Limitations of Data**

- Existing data is not sufficient to fully identify the extent of human trafficking in the United States.
- The complex nature of the crimes poses challenges for investigation.
- Identification of cases relies on effective counter-trafficking responses.

### Indicators of Human Trafficking

- Recognizing the red flags can identify victims to get them assistance.
- Not all indicators are present in every situation.
- The presence or absence of any of the indicators is not necessarily proof of human trafficking.

55

### Red Flags – Work Conditions

- Forced to perform sex acts or juvenile engaged in commercial sex.
- Unusual restrictions, daily quotas, no breaks.
- Not paid directly and/or paid very little.
- Not given proper safety equipment.

Copyright Jodi Gootkin

56

### Red Flags - Mental Health and Behavior

- Fearful, anxious, depressed, submissive.
- Exhibiting unusually behavior after bringing up law enforcement or immigration officials.
- Showing signs of substance use or addiction.

Copyright Jodi Gootkin

57

### Red Flags – Physical

- Inappropriate attire for age or environment.
- Poor hygiene, malnourishment.
- Signs of physical and/or sexual abuse, physical restraint, confinement, or torture.
- Unusual tattoos or branding.

61

### Clinician and Patient Safety

- If you identify red flags, assess safety before acting. Questions to consider:
  - Is the trafficker present?
  - Does the patient believe anyone else is in danger?
  - Is the patient a minor?

(National Human Trafficking Resources Center Framework for Human Trafficking Protocol in Healthcare Settings. <https://www.wyomingcountry.gov/DocumentCenter/View/4860/Framework-for-a-Human-Trafficking-Protocol-in-Healthcare-Settings-PDF?bids=1>)

Copyright Jodi Gootkin

62

### Course of Action

- If you are unsure if the individual is experiencing trafficking and you can safely obtain more information, then do so to determine your course of action.
- If you have a concern that such a conversation would put you or any other person in danger, then make the call to report instead.

(National Human Trafficking Resources Center. Framework for Human Trafficking Protocol in Healthcare Settings. <https://www.wyomingcountry.gov/DocumentCenter/View/4860/Framework-for-a-Human-Trafficking-Protocol-in-Healthcare-Settings-PDF?bids=1>)

Copyright Jodi Gootkin

63

### Law Enforcement Involvement

- If someone is in immediate danger, call 911.
- Contacting law enforcement may not always be in a victim's best interest.
- Individuals may need services and support not law enforcement investigation to aid them in escaping their situation.

(US Department of Homeland Security, Blue Campaign, Identifying a Victim. <https://www.dhs.gov/blue-campaign/identify-victim>)

Copyright Jodi Gootkin

### Legal Implications

- Trafficking victims can be arrested for crimes such as prostitution, possession of weapons and drugs.
- A criminal record may impact the individual's future employment, child custody, and government benefits.

(Polaris, The Importance of Criminal Record Relief for Human Trafficking Survivors. <https://polarisproject.org/blog/2019/03/the-importance-of-criminal-record-relief-for-human-trafficking-survivors>)

### Post-Test Question #7

What step should you do immediately if an individual demonstrates several "red flags" for being a possible victim of human trafficking?

- Quickly relocate the person to another facility and assure them it is for their safety.
- Always Call 911
- Before proceeding, assess the situation for potential danger and safety considerations.
- Tell the potential victim about their legal and civil rights.

Please pause the video for a moment to consider your response to this question.

### Strategies for Private Conversations

- Before questioning suspected victims, discretely separate the patient from the individual accompanying her/him.
- Engage the patient/client assuring their safety.
- Meet the person's physical needs.

(Konstantopoulos, W, Owens, J. (2018). Adult Human Trafficking Screening Tool and Guide funded by U.S. HHS Administration for Children and Families, Office on Trafficking in Persons. ### Trauma Informed Communication

- Avoid touching the person.
- Adopt an open and nonthreatening body positioning.
- Use respectful empathetic language.
- Do not pressure the individual to talk or probe for unnecessary detail.

(Konstantopoulos, W, Owens, J. (2018). Adult Human Trafficking Screening Tool and Guide funded by U.S. HHS Administration for Children and Families, Office on Trafficking in Persons. ### Appropriate Language for Identification

- Start at the edges of his/her experience.

Can you leave your job or situation if you want?

Can you come and go as you please?

What are your working or living conditions like?

Where do you sleep and eat?

(National Human Trafficking Resources Center, Framework for Human Trafficking Protocol in Healthcare Settings. <https://www.wyomingcounty.ny.gov/DocumentCenter/View/4860/Framework-for-a-Human-Trafficking-Protocol-in-Healthcare-Settings-PDF?bidId=1>)

Copyright Jodi Gootkin

### Language for Follow-up Questions

Do you need permission to eat, sleep or use the bathroom?

Is there a lock on your door so you cannot get out?

Have you been threatened if you try to leave?

Has anyone threatened your family?

(National Human Trafficking Resources Center, Framework for Human Trafficking Protocol in Healthcare Settings. <https://www.wyomingcounty.ny.gov/DocumentCenter/View/4860/Framework-for-a-Human-Trafficking-Protocol-in-Healthcare-Settings-PDF?bidId=1>)

### Professional Interpreters

- Enlist the help of a staff member who speaks the patient's language and understands their culture.
- Ensure the interpreter for conflicts of interest including knowing the victim or traffickers.

### Post-Test Question #8

When trying to establish a relationship with an individual you suspect may be a human trafficking victim, you should \_\_\_\_\_.

- Meet the person's physical needs.
- Ask probing questions so that you may thoroughly document the situation.
- Avoid going into private spaces with the suspected victim.
- Demonstrate an authoritative posture and language.

## Mandatory Reporter Obligations

- HIPAA protects patient confidentiality.
- It was not designed to prevent the reporting of trauma and crimes.
- All states require reporting of child trafficking to law enforcement.

Consider This

(US HHS Office of the Assistant Secretary for Preparedness and Response, Public Health Emergency: Human Trafficking & Health Professionals: Questions and Answers. <https://aspr.hrsa.gov/2014/Pages/human-trafficking-facts.aspx>)

## Mandatory Reporter Obligations Continued

- Be aware of the requirements where you practice.
- Calling a hotline does not meet the legal requirement in states requiring mandatory reporting.
- Local law enforcement must be contacted.
- Suspected abuse, neglect, or exploitation of individuals aged 65 or older and adults with disabilities must be reported immediately.

Consider This

(Texas Human Resources Code Section 48.051(g).

## Provider Role in Intervention & Response

- Clinicians should understand the dynamics of human trafficking, know what questions to ask, and have appropriate resources to offer victims.
- Appropriate coding of medical encounters aids the collection of data on forced labor or sexual exploitation.

(Texas Health and Human Services, Texas Human Trafficking Resource Center, <https://hhs.texas.gov/services/safety/texas-human-trafficking-resource-center>)

**Importance of Appropriate Documentation**

- Tracking confirmed or suspected cases allows health care systems to serve as a partner to eliminate trafficking.
- Identify victim needs
- Inform public policy
- Support service and resource development
